Vintage Conditions

This is a non-vintage wine but is usually sourced from a single vintage with back vintages blended in as required to maintain consistency of the style.

Winemaking/Viticulture

Fruit is selected from vineyard sites that produce generous flavours. Gentle handling in the winery ensures that fruit flavours and delicacy are maximised in the final wine. To preserve the refreshing acid drive and structure on the palate the base wine does not undergo malo-lactic fermentation. After blending, the wine remains on light lees until required for bottling to maintain freshness and increase the complexity of flavour.

Tasting Comments

Pale straw in colour with green tints. Fresh lifted aromas of citrus blossom, red apples and freshly baked pastries. Bright fresh and delicate, a light bodied sparkling wine whose flavours of citrus and brioche offer a fun and playful sparkling experience.
