

WEAVE

WEAVE CABERNET SAUVIGNON 2021

VINTAGE CONDITIONS

Late winter and spring rains in 2020 allowed the canopies to flourish and the vines yielded good crop loads and quality. The summer was mild, without extreme temperature variations, and the cool nights allowed the development of great aromatics and flavours. The red wines produced from the 2021 vintage are deeply coloured with classic varietal characteristics.

TASTING COMMENTS

Dark red in colour with crimson hues. Aromas of blackberry, purple jubes and plums with subtle notes of black currant and tobacco leaf. The palate is elegantly structured with a silky texture and fruit sweetness to the mid palate. Layers of dark cherry, warm spices and subtle briar flavours are complemented by soft finely grained tannin persistence.
