

# RED BRIDGE

## CHARDONNAY

---

### GRAPE VARIETIES & SOURCE:

Chardonnay ex South Australia

### HARVEST DATE:

February & March

*The Red Bridge is the symbol that links the elements of nature - earth and water - to produce wines of outstanding quality and flavour. Link good friends and good food with our Red Bridge wines*

### WINEMAKING/VITICULTURE:

Our winemaking is focused on minimal intervention to give our Chardonnay depth, complexity and personality.

### TERROIR/SITE:

The Chardonnay grapes are grown on a range of red sandy soils over limestone. Carefully controlled irrigation of these individual sites promotes well-balanced canopies so that the fruit ripens in dappled light allowing optimal fruit flavour to develop.

### TASTING COMMENTS:

**Colour:** Pale straw.

**Aromas:** Classic Chardonnay aromas of fresh white peach and ripe melons.

**Palate:** Rich fruit flavours and creamy textures perfectly balanced by crisp acidity entices the palate from the first glass to the last.
