

*The original Martin's pickup was the vehicle of choice for all deliveries in wine country. The townspeople would be on the lookout for the old pickup because when it was on the road, it meant the finest wines were not far away.*

## ROSE

### GRAPE VARIETIES & SOURCE:

Rose ex South Australia

### HARVEST DATE:

February & March 2021

### VINTAGE CONDITIONS:

The growing season began after excellent late winter and early spring rains had replenished the soil profiles. Mild weather at flowering led to an even fruit set across our vineyards resulting in juicy full bunches. The weather leading up to and including the harvest period will be remembered for being dry and exceptionally mild which resulted in grapes that retained freshness, acidity and wonderfully expressive flavours.

### WINEMAKING/VITICULTURE:

Gentle pressing of the freshly picked grapes releases perfectly coloured juice for this rose. The juice is fermented using a combination of cultured and naturally occurring yeast to produce a range of fresh and vibrant flavours.

### TASTING COMMENTS:

Light coral pink in colour. A basket of freshly picked strawberries and rose petals with hints of Turkish delight, freshly unwrapped from the confectioner. Light bodied with Turkish delight flavours, a fine texture and crisp dry finish.
