

Giant Sky

Marlborough
Sauvignon Blanc

'Giant' - a word meaning greater or more eminent than others. Appropriately, this Sauvignon Blanc was nurtured and made under the never-ending and luminous blue skies of Marlborough wine country. A bottle of wine best enjoyed with the closest of friends.

Grape Varieties

Sauvignon Blanc ex Marlborough

Harvest Date

March & April 2022

Vintage Conditions

The 2022 growing season got off to a good start with favourable conditions in the first three months, setting up a good crop. The Sauvignon harvest is best described as short, sharp, and very busy as we worked our way through the blocks in just fourteen days.

Winemaking/Viticulture

This is a classically made Marlborough Sauvignon Blanc. Selected parcels of fruit were cool fermented in stainless steel tanks with thiol enhancing yeast before being blended to create this vibrant wine.

Terrior/Site

This wine is a blend from some of our favourite Sauvignon Blanc producing vineyards in Marlborough's Wairau Valley. Characterised by their stony soils, and selected for the intense aromas and flavours they create.

Tasting Comments

With a lovely fragrance and crisp palate, citrus flavours and hints of fresh herbs lead to a zesty, mouth-watering finish. Ideal on its own or with seafood, Asian inspired flavours and anything fresh, zingy or bold. This is a very food-friendly wine.

Alcohol	12.5%
Total Acidity (g/L)	6.97
Residual Sugar (g/L)	3.1
pH	3.25
