

The original Martin's pickup was the vehicle of choice for all deliveries in wine country. The townspeople would be on the lookout for the old pickup because when it was on the road, it meant the finest wines were not far away.

CHARDONNAY

GRAPE VARIETIES & SOURCE:

Chardonnay ex South Australia

HARVEST DATE:

February & March 2022

VINTAGE CONDITIONS:

The growing conditions for vintage 2022 began with a mild Spring & flowering period which helped produce an even set in our Chardonnay vines. The mild but dry harvest period with cool nights meant that our Chardonnay vines produced grapes with excellent flavour, depth and freshness which we were able to capture and bring into the winery.

WINEMAKING/VITICULTURE:

Our winemaking is focused on minimal intervention with use of wild yeasts, malolactic fermentation, lees contact and subtle oak to give the Chardonnay depth, complexity and personality.

TASTING COMMENTS:

Pale straw in colour. Classic Chardonnay aromas of fresh white peach and ripe melons complimented by subtle hints of vanilla and toast from French oak. Rich fruit flavours and creamy textures are perfectly balanced by crisp acidity, flavours that immediately entice the palate from the first glass.
