

WEAVE

WEAVE PREMIUM CABERNET SAUVIGNON 2021

VINTAGE CONDITIONS

Vintage 2021 has produced Cabernet Sauvignon grapes of balance, style and exceptional varietal characteristics. Good late winter and spring rains enabled the vines to grow healthy canopies. Few windy days and moderate temperatures during flowering provided an ideal environment for fruit set. Summer was mild with below average temperatures and cool nights, great for the development of pristine aromatics and flavours.

TASTING COMMENTS

Sumptuous and fruity with boasting aromas and flavours of cassis, menthol, toffee, and sea spray. Full of varietal character and soft textures with a rich mouthfeel. Firm but generous, powerful yet full of grace.
