

WEAVE

WEAVE PREMIUM RIESLING 2022

VINTAGE CONDITIONS

The summer was mild to warm which continued into autumn. We received a few rain showers during this period which helped to keep the vines healthy. The warm days and cool nights produced pristine flavours and aromas and beautiful natural acidity.

TASTING COMMENTS

Green straw in colour. Aromas of orange blossom and old style lemonade with subtle notes of quince and river rock minerality. A bright palate with great balance, there are flavours of grapefruit and preserved lemon leading to a zesty, refreshing finish.
