

SHARED

Grape Varieties Ratio (%) & Source

Pinot Grigio ex South Australia

Harvest Date

February & March 2021

Vintage Conditions

The growing season was very favourable starting with good Winter and Spring rains that set the vines up for a high quality year. The canopies grew well and the vines showed great balance. The Summer was warm to mild with cool nights that lead to the development of pristine aromatics and flavours. The wines of the 2021 vintage are that of balance, style and exceptional varietal characteristics.

Winemaking/Viticulture

Close monitoring of the vineyards allowed the grapes to be picked at optimal ripeness. In some vineyards, this meant block selection was critical as the clones and sites reacted differently to the season.

Tasting Comments

Pale straw in colour with green highlights. Fresh pear juice with white flowers and a hint of feijoa and cinnamon stick. Initially the palate opens with the flavours of Nashi, cut pear and jasmine then these are followed by baked apple and cinnamon through the mid-palate. These generous fruit flavours are complemented by a rich mouth-feel and a creamy lingering finish.

Alcohol %	12.5
Total Acidity (g/L)	5.3
pH	3.21
Residual Sugar (g/L)	3.5
